**UNIT
1**

MY SKIN

Let's learn!

I. Listen and say.

skin

This is my skin.

How does skin help us?

Skin protects our bodies.

Skin keeps us warm and cool.

Skin gives us the sense of touch.

II. Listen, point and repeat.

The sense of touch

sticky

soft

hard

smooth

rough

Let's practice!

I. Write the sense of touch.

Example:

s m o o t h

1.

h _ _ _

2.

s _ _ _

3.

s _ _ _ _

4.

r _ _ _ _

II. Match and say. ❤️☒️👤

gives us the sense of touch

protects our bodies

keeps us warm
and cool

Hands-on activity!

THE MAGICAL TOUCH HAND

Step 1

Glue the materials **onto the fingers** that corresponding to each sensation.

Step 2
